Faculty Vacancy Announcement

Assistant/Associate Professor of Mathematics Education

Department: Education
Position: Full-time, academic year, renewable, tenure-track faculty position
Salary Range: Assistant Professor $46,000-$50,000 - Associate Professor $50,000-$54,000
Union Affiliation: MEA/MFT
Posting Date: January 2017
Start Date: August 1, 2017

Description
The successful candidate will teach undergraduate courses for early childhood, elementary and secondary education programs. Additionally, the successful candidate will work collaboratively with university faculty and staff, as well as field teachers from rural and urban K-12 schools. Faculty workload includes teaching, advising, professional service, and supervision of students in field experiences and student teaching. Education programs at the University of Montana Western support a constructivist learning model, with emphasis on experiential education and research into practice.

Required Qualifications
The successful candidate will:

- Hold an earned doctorate in mathematics education or related field.
- Five or more years successful teaching in P-12 schools
- Effective leadership and service, the ability to work collegially with others, and to use technology to support instruction

Preferred Qualifications

- Previous success in college instruction
- Successful online teaching
- A willingness to travel to satellite sites

Application
Send letter of application responding to the job description, a curriculum vita, transcripts, evaluations of teaching, if available, and names, addresses and telephone numbers of at least three (3) current professional references. Send hard copy application materials to:

The University & Dillon Area
The University of Montana Western is a dynamic, innovative, undergraduate university with over 60 full-time faculty and 1,500 students. It is located in Dillon, Montana in the scenic Rocky Mountains and has been awarded numerous top national rankings for delivering high quality, affordable education.

Montana Western is the only public four-year college in the nation offering Experience One (X1), experiential learning delivered on the block schedule. Class sizes are small and students take a single course at a time, three hours each day for 18 days, before moving on to the next course. Each course is four credits and four blocks are offered each semester. The block schedule facilitates field and lab work, undergraduate research, study travel, and interdisciplinary teaching. Montana Western’s faculty strongly believe in mentoring and inspiring students, and assisting them in the transition from university life to professional careers.

The University of Montana Western is an integral part of the Dillon Community. With a population of 5,000 people, Dillon is known for outstanding public schools, safe environments, recreational opportunities, and an excellent quality of life.

The University of Montana Western is an equal opportunity/affirmative action employer and encourages applications from qualified women, minorities, veterans and people with disabilities. Qualified candidates may request veterans, or disabilities preference in accordance with state law. Reasonable accommodations are provided in the hiring process for persons with disabilities. Finalists for this position will be subject to a criminal background investigation.
