3. Old business
  - discuss BOR09-5 (secondary ed)  
These have been updated to include changes that have been made within disciplines even with double majors  
John motioned, Sheila seconded; passes 9-0
  - discuss student concerns about the effect of budget reductions on quality  
Student senate will meet with Dr. Storey tonight to discuss; student senate will then bring forth their recommendations to Senate
4. New business
  - athletics  
Too many hours at practice? Student athletes falling behind; Senate recommends that the athletic committee meets to discuss this
  - discussion of no class meetings between 11:15 and 12:15  
Leave as is for now-may be a topic of discussion at a later date
  - budget committee update  
No new info—Governor's budget comes out Nov. 15  
Small groups will be meeting to discuss how to make cuts in next biennium
  - curriculum proposal form language  
Need to make sure that we are all using the forms  
When there is an effect on another program, get a signature  
Make sure that we are including the assessment pieces
  - FS committee memberships  
Mike will email each committee of their compliance/noncompliance and ask them to report on their resolutions
  - academic dishonesty policy  
Sara gave r-cap of past issues and resolutions  
Document that was presented to Senate contained nothing in regards to what the committee had originally discussed  
Sara and Tyler will bring their former recommendations to Senate
5. Good of the order  
There is a lobbyist position with Student Senate; deadline Nov. 8
6. Adjournment  
4:40 pm
