National Counseling Group (NCG) is the premier provider of community-based behavioral health services in Virginia, with over 20 offices across the Commonwealth. We specialize in home-based counseling, crisis stabilization, intensive in-home counseling, mental health skill-building, school-based treatment, and outpatient counseling. We are currently seeking **Part-Time and Full-Time Mental Health Community Counselors** for our **Lynchburg, VA office**. The Mental Health Community Counselor plays a key role in providing excellent care to those suffering from mental illnesses (and their families).

### **What we'll expect:**

- Provide direct clinical services to clients, including individual, family, group and issue-specific/educational groups (parenting skills, anger management, substance abuse interventions); services are provided primarily in the home and community
- Assess clients' needs through interviews and observations, develop treatment plans, and make referrals as needed to the appropriate services
- Collaborate with the treatment and support team to include co-workers, therapists, social workers, case managers, and other providers and professionals
- Respond to crisis situations as they arise; provide counseling and treatment
- Document case activities for both clinical and billing purposes
- Partner with Clinical Supervisor to increase effectiveness of therapeutic interventions

### **What you'll bring:**

- Bachelor's Degree in the human services or similarly related field
- 1+ year(s) direct clinical experience with children and adolescents
- Passion for helping others
- Positive energy and a preference for working in a team environment
- Ability to appropriately assess clients' needs and make recommendations accordingly
- Strong communication skills with the client, treatment team, and support network
- Strong listening skills to effectively treat clients
- Attention to detail in an effort to accurately and thorough document clients' charts and make recommendations
- Ability and comfort in traveling to clients, homes or within their community; a valid driver's license

## What you can expect from NCG:

- **Competitive pay with the ability to earn overtime**
  - High Hourly Pay Rate (starting at \$20/hr)
  - Pay for Trainings, Meetings, Travel, and Documentation Time
  - Annual Performance Bonus

- *401k, and Other Outstanding Health and Welfare Benefits*

We are seeking full-time Therapeutic Day Treatment Counselors to provide school-based services. The program is designed to successfully address mental health, emotional, behavioral and substance abuse issues that create a barrier to effective learning. NCG's Therapeutic counselors facilitate strategic interventions designed to address disruptive behavior immediately without interrupting the class to address one child's acting out. Effective interventions improve classroom dynamics and allow educators to teach. An immediate intervention by a counselor gives a child the best opportunity to redirect problem behavior so he/she can return to learning while protecting the learning environment for their classmates. Currently recruiting for positions to operate within and on an Elementary, Middle and/or High School work schedule.

**Qualifications:**

- Qualified Mental Health Professional- Child (QMHP-C)
- Bachelor's Degree in Human Service field
- One year of full-time direct clinical experience with children / adolescents that have a mental health diagnosis
- Valid Virginia driver's license with good driving record
- Excellent documentation skills

Our aim is to improve lives by providing the best care possible through innovative treatment and exceptional service with passionate, highly-skilled professionals.

With numerous offices, we offer room for growth and transition, as well as training and supervision so that your professional goals are always within reach. With our assistance, our staff have secured licenses, opened private practices, and have achieved esteemed positions within the field while most have chosen to grow within their organization of choice, National Counseling Group.
