

Job Title: Webmaster

Job Description: Maintain and update current site.
Manage all aspects of social media.

Compensation: Intern

Hours: Flexible 10 hours per week

The Atlantic Street Mercantile is a 3 year old combination retail store, cafe, espresso/juice bar, ice cream parlor. We seek a motivated creative individual to work with our current design and marketing team to improve our web site. Our site is hosted by Volusion and is template based therefore no HTML or similar knowlege is necessary. We utilize Adobe Illustrator and Photoshop. Experience with these programs is highly deseriable. We are also active on most social media sites so experience in this area is required.
