Applications are being accepted from the general public for the following position:

Temporary, full time position. Employees will work during summer months, May 14 to August/September 2018. Interviews will begin in March.

QUALIFICATIONS: Applicants for this position must have a high school education. Secondary course work and/or experience in Biological Sciences is preferred, but is not required. A valid Driver's License and background check are required.

DUTIES: Duties may include: placing and servicing insect traps, collecting insects with nets and by hand, visually surveying for grasshoppers and other pests, and possible application of pesticides for grasshopper suppression activities. "Maintaining and submitting accurate records is a must". Data will be gathered with handheld devices and on paper. A majority of the work involves frequent extended overnight travel away from Billings/Helena (Mon. - Thurs.) When in official travel status, a government vehicle will be provided, hotel expenses are paid by employer, and meals will be reimbursed. Most of the duties require working independently, without direct supervision, often in rural areas.

TO APPLY: Applicants must submit a resume or OF 612 (Optional Application for Federal Employment), and a copy of school transcripts if applicable. Please indicate on your resume if you are applying for a position in Billings, Helena, or either.

Mail, email, or fax your completed resume or OF 612 to the contact office listed above. Be sure to include your e-mail address. Call if you have questions.

All males born after December 31, 1959, must be registered with the Selective Service Board. Applicants selected for Federal positions will be required to complete a background information form before entering on duty.

U.S. CITIZENSHIP REQUIRED

THE ANIMAL & PLANT HEALTH INSPECTION SERVICE IS AN EQUAL OPPORTUNITY EMPLOYER

Use of postage paid agency envelopes in filing applications is a violation of federal law and will disqualify you for consideration.
