Position: Beier Auditorium Theatre Technical Crew

Department: Beier Auditorium

Supervisor: Anthony Johnson

Pay Range: $9.50
(must fall within UMW limits of $7.90 – $9.95/hr.)

Description: I need 1 responsible employee that are able to work a carefully established Rotating Schedule dictated by the companies renting or using the Beier Auditorium for performances. A schedule of events will be posted for the employees in order to facilitate their schedule to enable them to work and perform their academic duties. They will also have to run all arts events a month, which may include nights and some weekends. Must have a willingness to learn the basic aspects of technical theatre in the following areas: lighting, and sound, they will also perform usher duties and stage management duties. Must be able to assist with student productions, guest artists, maintenance and cleaning. This will also include loading in and out of any traveling groups brought in to perform.
