

Position: Studio Technician for the Emerick Art Building

Department: Fine Arts – Glass Program

Supervisor: Michael Hengler

Pay Range: \$8.05 - \$9.95/hr (commensurate with experience)

The intention of this position is for the work study student to help maintain an efficient and safe studio in order to facilitate a more productive experience for students using the Emerick Art Studio. As such, I will work directly with the student in order for him/her to understand how to undergo and complete a task that will ultimately better the studio environment, and educate the student on proper studio care and maintenance. The studio is in a constant flux and is therefore in need of constant attention in order to keep it in an optimal working condition.

Conditions to consider:

- The student-worker should be able to lift 50 pounds.
- Maximum of 20 hours in a two-week period
- List of duties:
  1. Maintain shop condition.
  2. Help keep equipment in optimal working order.
  3. Organize studio and storage space.
  4. Help me provide a clean and safe studio space.

Preferred:

- Student who has experience building with various materials.
- Student who has previously enrolled in a glass course
