

Position: Biology Lab Technician  
Department: Biology Department  
Supervisor: Michael Morrow  
Pay Range: \$9.50/hr

**Description:**

Successful applicant will perform lab and field preparation work within the Biology Department. This person will wash lab dishes, prepare growth media and solutions, pour electrophoresis gels, sterilize supplies and equipment and make photocopies. In addition, this person will also organize and prepare field gear in our store room and inventory field equipment, disposables and laboratory specimens. Other tasks may be assigned as necessary.
