“With the high powered faculty and staff, amazing opportunity of Experience One and a class of students as empowered as this, CHS feels greatly honored to contribute to the education and success of these students and the future of agriculture.” - Cash Yount

The Horslic Elite product has been a game changer for the UMW Sales Prep colt's overall health. With its high Omega 3 content and Zinpro Performance Trace Minerals, this enhances the health and shine on these young horses as they are developing. Our students are able to observe the benefits of using natural products that boost immunity and overall performance of these colts.

The CHS products have been a game changer for the UMW Sales Prep colt's overall health. In regards to education, our students are now able to observe the impact that quality nutrition has on the horse's physique and their performance.

PAYBACK

Here at Montana Western, we are incredibly excited to use our CHS products. We have seen a drastic improvement in the horse's overall appearance. Plus, our students have had the opportunity to participate in designing a nutritional diet plan for their horses. The CHS products have been a huge benefit to the horses' health and the student's education!

Thank you to the following ranches that have donated to our program this year:

Erb Ranch

Calvin and Brooke have been ranching Beaverhead County for the last 30 years. They raise horses suitable for ranching in the big country of southwest Montana. The Erb's strive to improve their horse herd every year to produce the most desired horses. Their horses' bloodlines include Nu Cash, Gunsmoke and Jackie Bee. Calvin and Brooke have been donating horses to the University of Montana Western Natural Horsemanship program since 2011.

Garrison Ranch Inc.

The Garrison Ranch is located in the lovely Glen, MT. Bill and Floydena Garrison have been raising cattle and breeding registered Quarter Horses for over 50 years. Their current stallion goes back to Blue Valentine, King Fritz, and Colonel Freckles. They raise their horses to be versatile with a solid work ethic. The horses are bred well to work on the ranch and in the rodeo arena. Their breeding program focuses on the traditional foundation Quarter Horse bloodlines. This is their third year donating to Montana Western's Colt Challenge & Sale.

For updates and more information, visit their Instagram and Facebook page at:

<https://www.instagram.com/garrison.quarter.horses/>
<https://facebook.com/garrisonquarterhorses/>

Goggins Ranch

Greg and Carly Goggins are from Billings, MT and focus on raising solid, useable horses for the ranch. They have been raising horses for the past few years and look forward to advancing the quarter horse genetics through studs like Slick By Design crossed on cutting bloodlines to produce an all around cow horse. This is their second year donating colts.

Harrington and Hirschy Quarter Horses

Harrington & Hirschy Quarter Horses is a family-run operation that is continuing the legacy of the late, Don Harrington. Harrington & Hirschy Quarter Horses have been producing quality horses for the last 40 years in Beaverhead County. Their horses' bloodlines include: Nu Cash, Paddys Irish Whiskey, Doc O Dynamite, and Peptos Stylish Oak. Harrington & Hirschy Quarter Horses are intelligent and hard working animals. Harrington & Hirschy Quarter Horses have been donating colts to the UMW Sales Prep Class since 2011. <http://harringtonhirschyhorses.com>

Holland Quarter Horses

Verna Holland and her late husband Chad are lifetime cattle ranchers in the Grasshopper Valley and have been members of the AQHA since 1968. Hollands' horses are proven to be athletes in the competitive arenas as well as on the ranch. Conformation, disposition, cow sense and athletic ability are the program goals. The Hollands enjoy watching young students learn and achieve their skills through the horsemanship program at UMW. They have been donating horses to the UMW sales Prep Class since 2011.

Hollenbeck Ranch

The Hollenbeck Ranch is located twenty-five miles west of Billings, MT. The Hollenbeck Ranch has been in the horse breeding business for four generations. Their goal is to breed horses that have a purpose, disposition and the ability to win. The goal of their breeding program is to preserve the Driftwood bloodlines, and produce horses from the Doc O Dynamite, San Peppy and Hancock bloodlines as well. These unique horses have had the ability to win for generations. This is the fourth year that they have donated horses to the Montana Western Sales Prep Class. <https://www.hollenbeckranch.com/>

Roaring Springs Ranch

The Roaring Springs Ranch is headquartered in the sweeping Catlow Valley on the high desert of southeastern Oregon in Harney County. The mission of the ranch is to be sustainable: this requires focus on economic, ecologic and social function of their operation. They are proud of the abundance of diverse wildlife species that share the landscape with their cattle, horses and ranch families. RSR runs around 250-300 head of horses on the ranch, including 60 broodmares and three stallions. Their horses are foundation bred in order to develop a well-rounded ranch horse with good cow sense. This is the fourth time they have donated to the UMW Sales Prep Class.

Weaver Quarter Horses

The Weaver family has a long tradition of raising horses since 1887. The brand, A Standing X, was recorded in the Weaver name in 1888 and is still going strong six generations later. Stan and his wife Nancy live in the Bear Paw Mountains by Big Sandy, Montana. The Weaver horses are known for their bone structure, stamina, conformation and their keen eye for a cow. Some of the horses' bloodlines include Peptoboonsmal, Peppy San Badger, Frenchmans Guy, Smart Little Lena and Poco Bueno. Weaver horses possess the mind and disposition to succeed in whatever you ask of them. They have been donating horses to the sales Prep Class since 2014. <http://www.weaverhorses.com/>

Lightstar Holibar is a three-year-old filly from Cal and Brooke Erb. She is 14.2 hands and athletic. She has good bone, is easy to be around, and shows good trainability. Her dam, Dainty Lightstar, competed briefly in the NCHA and is gentle, very willing, and great to be around. This filly's sire, Elans Holibar, has LTE over \$35K and earned multiple winning titles in the Montana Reining Horse Association as well as the Montana Reined Cow Horse Association. We see this filly living up to her genetic potential in the cutting or performance arena. She has a nice build and a natural stop.

Smoke Three Shi is a three-year-old bay gelding donated by Cal and Brooke Erb. He is one of our bigger colts at 15.3 hands and is well-muscled. He's on the quieter side but shows good effort when asked. He stands well for the farrier, is smooth to ride, and goes down the trail well. He has the size and endurance to make a nice ranch horse prospect. This colt is a grandson of Nu Cash, the NRCHA Hall of Famer who has been a Million Dollar Sire since 2003. Nu Cash's offspring have combined earnings over \$1.8 million. If you are looking for a solid gelding, here is your guy!

This bay filly came to us from Greg & Carly Goggins. She stands 14.2 hands and is laid back. Her sire is by Slick By Design who holds the fastest time by a stallion at the NFR. They ranch on her sire, and said he is so gentle you wouldn't know he was a stud. He's very athletic and great down the fence. This filly's dam was purchased from one of our other donors, Fred and Lynn Hirschy, and is remarkably sweet and easy to be around. This filly has shown to be athletic, quiet, and easily trainable. She cows up nicely to the dummy and is happy in or out of the arena.

Candywood DrifterTKM is a four-year-old mare from Mike and Eva Hollenbeck. She is 14.2 hands and quiet. She is a granddaughter of Drifts Chip who was known for his versatility, earned over \$110,000 in the show ring, and has sired earners in the rodeo, reining, and ranch versatility arenas. This horse travels well outside and has the attitude to get the job done. She has tracked the dummy, dragged logs, and been in the hills. Put her to work on the ranch or polish her up for the arena. She's a friendly thing and shows good try.

Drift N Sug is a four-year-old sorrel gelding donated by Mike and Eva Hollenbeck. He is a good-sized gelding that stands at 15.2 hands. He is on the quieter side and laid back without being lazy. He was very easy to start. His sire was a hard-working ranch and rodeo horse. His dam was competitive in the PRCA as a heel horse, was great to be around, and was noted as being a breeze to start. Drift N Sug has been ridden inside the arena and out in the mountains. He tracks the dummy, can handle a rope, and knows how to get somewhere. This colt would be a great option for someone looking for a big moving gelding!

Miss Dynamite Ike is a three-year-old black filly from Mike & Eva Hollenbeck. She stands 15 hands and has grown a lot this year. She was a breeze to start and hasn't had any big hangups on anything. She's been ridden outside, likes to track the dummy, and is smooth to ride. She shows ranch and rodeo horse potential. She is a nice balance of being level-headed while still showing ambition in her work. If you are looking for a reasonable filly that anyone could get along with, she'd be a good one to keep an eye on.

Mr Fritz Badger is a three-year-old gelding from Mike and Eva Hollenbeck. He stands at 14.2 hands and is a nice-looking buckskin. He is a laid-back, quiet horse that isn't bothered by much. Even his first saddling and first ride went without a hitch. His dam is a good traveling rope horse. She has an excellent disposition and competed as a PRCA heel horse. His sire is a functional ranch horse with a good disposition as well. Driftwood bloodlines are known to produce fast, calm-natured, athletic horses that are flashy and excel in the rodeo arena.

10 Straws SITZ Angus Bull Semen

"The Look" is important to SITZ Angus. They want bulls to be stout made, wide bodied, loaded with muscle, have body length, big testicles and good feet. They want females to have good udders, be deep bodied, broody and feminine. At SITZ Angus, every breeding and management decision is based on the core principles of producing Seedstock genetically programmed to be profitable in every segment of the industry. These core principles instilled 95 years ago have been carried out along the way by 4 generations of SITZ family. SITZ Angus has earned the reputation of producing genetics that will excel downstream in the industry, throughout the Feeding Sector and on the Rail - rapid growth, desirable feed conversions and a carcass that earns premiums not discounts. Don't miss out on this opportunity to bring the desirable SITZ cattle genetics into your herd.

1 Pallet (1 ton) Cubeit Hay Company Alfalfa Cubes

Cubeit Hay Company is located in Eastern Idaho where their family has grown high quality alfalfa hay for more than 40 years. Their company, was founded in 2008 on the premise of creating a high quality alfalfa hay cube that brings you the best milled alfalfa product on the market today. What sets them apart from their competitors is their process of sun curing the hay 5-7 days before they begin processing. This technique eliminates the need to use any binders on their product. You can be confident that when you feed Cubeit, you are feeding quality.

10 Straws of Reminisce Bull Semen

Bryan and Marcia Mussard operate the Big West Management and Reminisce Angus Ranch in Dillon, Montana. Reminisce Angus started in 1984 with the purchase of two registered heifers from Schultz Angus in Sheridan, Montana. The herd continued to grow with females purchased from other herds, including: Felton Angus, Sitz Angus, Vermillion Ranch and Jolly Roger Angus. They focus on producing sustainable, quality beef. They continue to grow by tracking other maternal and performance traits necessary to raise predictable, repeatable, and sound seed stock. Don't miss the chance to add these amazing genetics to your cattle herd!

AQHA Ranch Heritage Breeders are working cattle ranches that produce five or more registered American Quarter Horses each year for ranch work. AQHA Ranch Heritage Breeders should embody the longevity, integrity and honesty of the ranching tradition. Ranching Heritage Breeders breed and raise ranch-type horses, which remains at the core of the American Quarter Horse Association and epitomizes the breed's versatility. To be

recognized as a Ranching Heritage Breeder, breeders must meet the following criteria:

AQHA Ranching Heritage Challenges are open to any horse bred by an AQHA Ranching Heritage Breeder. Anyone who owns an eligible horse can compete in one of the multiple age and skill level divisions offered for both horse and rider, as well as a variety of classes.

The Riata Buckle Series

For the second year the rodeo world has enjoyed the Pink and Ruby buckles and this year there is a new rope horse version: The Riata Buckle. Brought to you from the same producers of the Pink and Ruby Buckles, the Riata Buckle is a roping incentive program that stallion owners pay into. All offspring of the studs paid into the incentive program will be eligible for the lucrative \$2 million Riata Buckle Futurity in November 2022 at the Lazy E Arena. Like the Pink and Ruby Buckles, the Riata Buckle will offer an exclusive, stallion-owned only horse sale.

"To Be A Better Horseman" Award

In Memory of Chad Holland

The award "To Be a Better Horseman" is in memory of Chad Holland.

Chad believed that being a good horseman was an important factor in the communication between the person and a horse. He believed in the importance of giving the horse a good experience the first-time you interacted with them, gaining their trust and confidence. It was all about making a better world for horse and man. Chad was a contributing individual in bringing Ray Hunt horse breaking methods to this country. Ray Hunt held nine clinics at the Holland Ranch ranging from colt starting to horsemanship classes. All clinics were filled with participants.

Chad believed that whether you were in the rodeo arena, show world, breaking a colt or working cattle on the ranch horseback, you need to communicate with your horse and understand the feel the horse is giving you. As a horseman himself, he roped with the best, showed several AQHA Champions and spent countless hours horseback on the ranch.

Thank you Bank of Commerce for sponsoring
"To Be a Better Horseman" award.

Dr. Robert M. Miller, DVM Scholarship

This scholarship has been established in honor of Dr. Robert M. Miller by his family.

Dr. Robert M Miller, DVM, is one of the world's foremost authorities on equine behavior. A retired large and exotic animal clinician, Dr. Miller revolutionized the concept of imprint training as it pertains to horses and other pre-social species and has spent the last 40 years as an educator and author. Today, at 96, Dr.

Miller still lives on his small California ranch with his wife, Debby, and remains committed to teaching and promoting the principles of imprinting and natural horsemanship. Visit robertmmiller.com to learn more about his work.

MONTANA CENTER *for* HORSEMANSHIP

Nonprofit 501(C)(3)

The Montana Center for Horsemanship would like to thank everyone for their support in completing Phase I construction. We are currently raising funds for Phase II.

The Montana Center for Horsemanship is the first and only educational equine center in the United States to focus exclusively on “**Natural Horsemanship**”—a philosophy that’s based on understanding horse behavior, and bridging the gap between natural and conventional training to provide a stronger, more rewarding foundation for riding, working, and interacting.

Thanks to a unique partnership between MCH and the University of Montana Western, professional and amateur horsemen and horsewomen are brought together to improve and expand horsemanship in the broadest sense of the word.

MCH is guided by several fundamental objectives: to help individuals achieve personal and professional success in the equine industry; to enable horses to learn more effectively and find more "horse happiness" through a specialized program; to energize the community as a whole; and to perpetuate a fundamental tradition of the American West.

Eric Hoffmann is the Head Instructor at The Montana Center for Horsemanship. He has taught Natural Horsemanship classes at Montana Western since 2008. In his classes, Hoffmann teaches his students the importance of getting your horses to work more willingly in order to accomplish a task or job. A student of Hoffmann's will gain confidence and knowl-

edge that equips individuals for a future career in the equine industry. Hoffmann holds an A.A.S. in Equine Management and Training from Laramie County Community College. He earned a Bachelor of Science in Agriculture Education from the University of Wyoming and also received a Master's degree in Agriculture Education from Montana State University.

Robert Chesterfield is an Instructor at The Montana Center for Horsemanship and has taught Natural Horsemanship classes at Montana Western since 2016. Robert brings a unique approach and perspective to his classes. He graduated from Montana Western with a Bachelor's degree in Natural Horsemanship and has the ability to help students gain the most they can from their Natural Horsemanship classes. In the past Robert had spent years working on ranches and starting colts. Robert's attention to detail will enable students to develop and refine a solid foundation in their horsemanship.

Melanie South is an instructor at The Montana Center for Horsemanship. She graduated from UMW with a Bachelor's Degree in Natural Horsemanship with a Business minor and a Bachelor's Degree in Business Administration with an Equine Management minor. Melanie grew up riding horses and has always enjoyed

giving horsemanship lessons and working with the public. She strives to teach her student's through leading by example and encourages her students to learn from failures with perseverance.

Ola "Olie" Else has been involved with the Equine and Natural Horsemanship Program since its inception and first classes in 2000. Else served as UMW's Rodeo Coach and Faculty Advisor for over thirty years and was named the National Intercollegiate Rodeo Association Coach of the year in 2004 & 2018. Olie is the only woman that has ever won the award. She was inducted in the Montana Pro Rodeo Hall and Wall of Fame in 2018 and was inducted into the 2019 Montana Cowboy Hall of Fame. Olie is the campus liaison for the The Montana Center for Horsemanship. Else meets with new recruits and is the primary advisor for Natural Horsemanship students. She is passionate about agriculture.

Janice Winderl answered the call to return to the Equine Studies Department at Western this year and teaches classes on campus such as: Facility Management, Equine Advanced Nutrition and Care, Selection and Judging, and works with others in the department to provide excellent student-centered experiential

learning. Dr. Jan has taught at both UMW and PIMA after practicing equine medicine for 33 years. She enjoys eventing, saddle fitting, anything to do with mules, and raising Bernese Mountain Dog puppies.

Dr. Megan Kelly joined the Western Equine Studies Program in 2015. She graduated from Washington State University's College of Veterinary Medicine in 2010. Dr. Kelly was an Associate Veterinarian for 5 years in equine private practice before moving to Dillon. In the classroom, she uses her equine veterinary practice knowledge to help UM Western students be prepared for the real-world challenges in the horse industry. Dr. Kelly is a Montana native, and enjoys backcountry horseback riding and mountain lake fishing.
