For FALL 2020 course section codes will be used to convey important information about a specific course. Information identified in the new section code scheme includes: course offering dates (called "part-of-term"), approximate time of day the course will be offered, and course location or special course. All section codes used in UMW class schedules will be three (3) space listings and will follow the coding scheme outlined Listed below please find changes/additions to the Fall 2016 class schedule since its finalization. Current course schedule info is also available via DAWGS and the university website
