Annual Year 21 (AY21) Update

	Summer 20	Fall 20	Spring 21	Totals	AY21
In state	94.2	896.66	780.06	1770.92	
Out	1.53	74.06	66	141.59	
WUE	6.2	255.6	217.33	479.13	
Totals	101.93	1226.32	1063.39	2391.64	1195.82

Summer and Fall 20 are actuals. Spring 21 is as of 2.23.2021

If both of these adjustments remain on par with previous semesters, we can anticipate an FTE of at least 1074 by End of Term census. This would give us an AY21 FTE of 1200.

Fall 2021 Projection-Headcount/FTE

Fall 2021 as of 2.23.2021		
Spring to Fall Return	877	Based on Budget Enrollment Spreadsheet Percentages
New Students Summer 2021	27	3 Year Average of Summer Headcount
New Students Fall 2021	425	3 Year Average of Fall Headcount
Total Headcount	1329	
Total FTE	1235.97	Based on Headcount to FTE ratio

Unknowns

- We are still seeing how COVID-19 effects the retention rates. This will also be influenced by if we can return to standard face-to-face classes in Fall.
- Incoming First-Time Students will be coming out of almost two years of online/distance learning. Will this cause students to try to take a gap year if we are still in COVID-19 restrictions OR because it has become a new norm, will students plan to attend.

2022-2023 Biennium

- Governor's Budget was an increase of \$37 million for the MUS Biennium. Governor Gianforte amended the initial proposal and reduced it to \$11 million for the MUS Biennium.
 - \$7M present law adjustment in Program 9 (Ed. Units)
 - \$1M O&M for new space
 - \$2.8M present law adjustment for Agencies
- This will not fully cover Present Law Adjustment based on current predictions (inflationary and wage adjustments)
- **Plan on a 5% operating budget reduction for FY22 (hopefully worse case scenario)**
 - Fee requests/updates are due February 15th.
 - Any new fees are fee increases greater than 3% must be presented to the Regents in the March meeting. All other fees will be reviewed in the May meeting.
 - Budget Development Worksheets will be submitted to Cabinet members by early February

So far this looks like worse case scenario. No further reductions but some addons.
