

Financial Aid Worksheet

This worksheet is intended to help you estimate the amount of billed charges that will be due prior to the beginning of each semester.

Please refer to your Financial Aid award notification in your DAWGs account to find out the amount of your scholarships, grants, loans etc.

If you are interested in Work Study, check with the Financial Aid office for eligibility. Jobs are posted at <https://www.umwestern.edu/section/work-study-positions/>. If you are employed with Work Study, you will be paid bi-weekly for the hours that you work. You must be enrolled in at least 6 credit hours for Federal Work Study & 12 credit hours for State Work Study. **If you drop below these hours at any time during the semester, you MUST stop working immediately.**
