

Instructions: Use this form to register for initial classes that cannot be added through DAWGS online registration system. In most cases courses that cannot be added online require signatures to override a pre-requisite. Please make sure to procure all required signatures. Incomplete forms will not be accepted. Registration policies are available in the University catalog and on the Montana Western website. *If you have an update to a mailing or permanent address please complete the Change of Student Information form.*

COURSE REGISTRATION INFORMATION

CRN	Course Subject	Course Number	Section Number	Course title	Credits	Instructor Signature*	Overriding (Prereqs/Course Cap/Both)

*The instructor signature gives the Registrar's Office permission to enroll this student into the course and, if applicable, override course restrictions (major, class, consent of instructor, and course enrollment limit). If the instructor is choosing to only override one of these it should be indicated in the override box, otherwise it will be assumed that the override covers all exceptions.
