

# SPRING ADDENDUM

\* = most recent change

AS OF 1-1-25-2021

For FALL 2018 course section codes will be used to convey important information about a specific course. Information identified in the new section code scheme includes: course offering dates (called "part-of-term"), approximate time of day the course will be offered, and course location or special course. All section codes used in UMW class schedules will be three (3) space listings and will follow the coding scheme outlined Listed below please find changes/additions to the Fall 2016 class schedule since its finalization. Current course schedule info is also available via DAWGS and the university website

1st SPACE – designates what part-of-term (p-o-t) the course is offered, codes used include: 5-8 = designate SPRING block classes; (1=1st block, 2=2nd block, 3=3rd block, 4=4th block) F = a full-term class, also called a "string" class G = 1st-half of the semester (blocks 1& 2) H = 2nd-half of the semester (blocks 3& 4) X = start/end dates fall outside of p-o-t offerings; check dates in DAWGS or the printed class schedule\*

2nd SPACE – designates the approximate time of day course meets:

A = morning (AM) P = afternoon (PM) N = night or evening

D = all or most of the day (mix morning/afternoon/evening/night)

M = (2nd or) multiple sections of the same course offered during T = To-be-announced

3rd SPACE – designates the course location (or special section) as follows:

0-9 = on campus courses I = Internet course J = joint, internet& required meetings

A = Hamilton B = Butte (ECE, PDS, etc) G = Great Falls

H = Helena L = Billings M = Missoula

T = Temporary, transitory, other location\* V = Havre

Z = Bozeman X = Extension course (restricted enrollment)

Examples:

Sec Code	What p-o-t*	Time/when offered*	Where offered*
2P0	2nd block, Fall semester	Afternoon	On campus
FTI	Full semester	All day	Internet
GN1	First half of term	Night or evening	On campus
FTJ	Full semester	To be announced	Internet plus one or more required face-to-face meetings*

\*check schedule detail in DAWGS for exact meeting dates, times and locations (places/rooms)

EXCEPTIONS to the three space section code scheme above: courses with a single "0"=zero (no other letters or numbers) section code, designate multiple offering directed study, independent study or experimental courses that have the same dept/rubric, course number and location, but, the courA5e titles/content and credits will vary.

Examples of these courses are the numerous EDUC 491 workshops and/or night classes and EQST 291 short courses that are offered at various times during the term.
