- This calendar begins on August 24th as planned. Blocks 1, 2, and 3 will meet for 17 three-hour instructional days with only one day of block break between each block. With this change, Block 4 will now start on Monday November 9th but each instructional day will be 3 ½-hours instead of the standard 3-hours in order to meet the 14-days required for the 50 instructional hours required for a four-credit course. Two days of finals will take place on November 30th and December 1st.
 - The weekend November 7-8 will have to be considered the block break between Block 3 and 4 in order to end by December 1st.
