Your FAFSA was selected for review in a process called verification. This means UM Western will compare information from your FAFSA with the requested information as described in this worksheet. The law states "that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA." If information does not match when comparing your documents to your FAFSA, corrections will be made to your FAFSA. (34 CFR, Part 668)
