

JOB OPPORTUNITY

World West Sire Services is a custom collection facility located 6 miles south of Laurel on the old highway 212, now Clarks River Road. We are lucky enough to work alongside some of the finest seedstock operations in the country as well as overseas. We have a fierce commitment to practicing excellent customer service and pride ourselves in creating opportunities for enthusiastic, hard-working individuals.

Herdsman

We have a position available for a well-motivated Herdsman to form part of our sire care team and assist in all areas of the collection process. We will provide on-site training and offer a competitive hourly rate. Some hours are flexible depending on the time of year, but applicants should bear in mind they may be required to work longer hours during breeding season.

Responsibilities include:

- Feeding and watering livestock
- Doctoring livestock
- Bedding bulls, cleaning pens
- Being part of the collection team
- Running equipment - skidsteer, tractor etc
- Building and maintaining fence, including electric fencing
- Recognizing animal health issues and characteristics

Education/Experience/Skills:

- High School Diploma or higher
- Cattle handling experience
- Ability to lift 50lbs
- Ability to stand for long periods of time and withstand a variety of temperatures
- Experience of running equipment preferred
