

For Summer AmeriCorps Positions

YES Youth Empowerment Services is seeking Summer AmeriCorps members to join our team for 10 weeks. As a national service member, you will strengthen your community and make a positive impact in Anaconda. In this role you mentor K-12 youth to combat summer learning loss and engage in STEAM activities, and career exploration. This includes:

- Plan and lead STEM, science projects, arts and crafts, and team building activities;
- Guide youth through gardening projects;
- Assisting youth in communication and money management skills at a weekly Community Market
- Mentoring youth through one-on-one discussions,
- Career exploration activities;
- Curriculum development

As an AmeriCorps member, you will enjoy the following benefits:

A bi-weekly living allowance of \$575;

An Education Award of \$1,342, which can be used to repay federal and state student loans or to cover future tuition and enrollment expenses;

Training and professional development opportunities.

Applications are being accepted now for positions that begin on June 6, 2022. Further information can be found at <https://mtcompact.org/mtcc-amicorps/part-time-and-summer-opportunities/summer-amicorps/>

This opportunity is made possible thanks to a partnership with the Montana Campus Compact AmeriCorps program.
