

Four-Week, Log Cabin-Raising Paid Internship, June 24-July 26, 2024

Overview:

- Join and learn from a crew of master craftsmen by spending four weeks building an off-grid log cabin.
- The process will involve moving logs to the site and stacking logs using a crane. As we set the logs, we will rough in doors, windows, electrical, gas, and plumbing. Work will finish with building the roof system and porches.
- There is no Wi-Fi or cell service, but there is running water and electricity.
- The construction site is located about 30 miles from Dell, MT, and 1.5 hours from Dillon, MT, on the Continental Divide in a beautiful setting. One cabin is already onsite.
- Home-made meals will be family-style, so preferably no dietary restrictions.
- Live onsite Monday to Friday. Weekends will be yours, but if you choose to stay onsite, meals will be provided.
- \$4000 stipend

Qualifications:

- While no construction experience is necessary, basic carpentry skills are a plus.
 - Work 10-hour days, outside (with a lunch break).
 - Lift 50 lbs.
 - Be comfortable working on scaffolding and ladders
 - Basic math and reading skills
- Call Noah (Foreman), at 520-444-1418 or email 2x2construction@gmail.com with questions and to set up an interview.
